STAR COPS

by Chris Boucher

Starring DAVID CALDER as NATHAN SPRING, ERICK RAY EVANS as THEROUX, LINDA NEWTON as PAL KENZY and TREVOR COOPER as DEVIS.

It is 2027 and manned space exploration is finally a reality. Crime in space is on the increase. The International Space Police, alias the "Star Cops," are in need of a shake up if they're going to be able to contain it. Chief Superintendent Nathan Spring could be just what they need ...

AN INSTINCT FOR MURDER

With a body in the river and a series of space suit failures, Nathan Spring is unconvinced by the machine's verdict of accidental death. And instinct is telling him to pursue it even if it means laying his own life on the line ...

CONVERSATIONS WITH THE DEAD

To: Nathan Spring
From: No name registered
LEE JONES HAS BEEN DEALT WITH.
YOU ARE NEXT.

Somewhere out there is a killer ... Can the new commander of the 'Star Cops' pre-empt his deadly messenger?

INTELLIGENT LISTENING FOR BEGINNERS

There's been an explosion at a chemical plant, disaster in the Channel Tunnel and now there's a terrorist threat. The only clue is a couple of lines of obscure poetry. Then Nathan gets some inside information ...

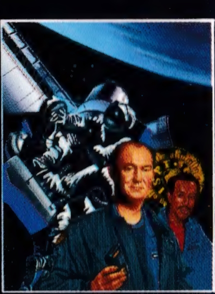

Running time: 152 mins approx

Series created by Chris Boucher
Produced by Evgeny Gridneff
Directed by Christopher Baker

TRIVIAL GAMES AND PARANOID PURSUITS

by Chris Boucher

Microbiologist Dr. Harvey Goodman has disappeared. It seems the American space station *Ronald Reagan* holds the answer but pool-playing Commander Griffin is being less than helpful. Deeper and deeper into a web of double dealing, Nathan Spring smells a political rat . . .

THIS CASE TO BE OPENED IN A MILLION YEARS

by Philip Martin

Exactly what happened to make the nuclear waste dumper launch abort? Are the Mafia alive and kicking in 2027? Will Nathan really be charged with murder?

IN WARM BLOOD

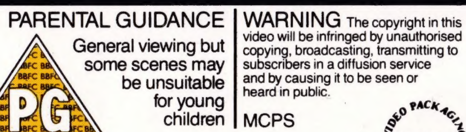

by John Collee

'Knowledge is light'
'Ignorance is darkness'

Science must succeed. Nathan knows that. But when it means the loss of innocent lives, the Star Cops swing into action . . .

Running time: 156 mins approx

Series created by Chris Boucher

A DOUBLE LIFE
by John Collee

When a mystery kidnapper steals three embryos from Moon Base, the crime seems motiveless. Then their mother turns out to be the wife of an infamous arms dealer with a list of henchmen and enemies a mile long. With the ransom deadline approaching, Nathan Spring is finding out what it's really like to race against time to save lives ...

OTHER PEOPLE'S SECRETS
by John Collee

The stress of deep space seems to be taking its toll at last with the onset of more and more maintenance errors. The trouble is they've coincided with the arrival of the safety controller and a visiting psychiatrist! And the chaos is escalating. Suddenly the safety of Moon Base is at stake ...

LITTLE GREEN MEN AND OTHER MARTIANS
by Chris Boucher

Can a Martian really have been unearthed at last? With a freighter carrying a new discovery bound for Moon Base, it certainly seems that way. Suddenly the "Star Cops" find themselves caught up in a race for the scoop of the millennium. But the cost is high, the death count is rising ...
